Be a part of history by purchasing an engraved brick for the new Dewey Beach Town Hall & Public Safety Building. Your personalized brick will be proudly displayed in the walkway bordering the new building, honoring your support and helping fund this important community project. It's a lasting way to celebrate your family, a loved one, or your favorite Dewey memory while investing in our town's future.

This form is for check or cash payments only. Scan the QR code above to purchase online via credit card. Please enter the text exactly as you want it to appear on the brick. You do not need to center the text; the laser software will automatically center the inscription. If you would like to order more than one brick, you will need to fill out a new order form for each additional brick that you would like to order.
